

Those Struggling with **SEX ADDICTION** Want Solutions.

This confidential weekly **GROUP** focuses on task and solutions. Some highlights of the group are:

- ✦ **Discover the origin and address core issues of your sexual addiction.**
- ✦ **Outline a task driven definitive plan for your recovery.**
- ✦ **Experience encouraging support.**

This task and solution-driven group process can help make recovery smoother and much more attainable. This group works in conjunction with 12-step support, individual and family and/or couples counseling. Structured assignments are given each week to be accomplished during your own time.
