

Spouses & Partners of Sex and Love Addicts Treatment Group

*For partners of sexual addicts
seeking their own healing and support.*

The spouse's program at the Sexual Recovery Institute is designed to help partners cope with the hurt and confusion that can only be known by someone who is living through infidelity and relationship betrayal. To meet the needs of spouses, wives and significant others we have created a weekly, ongoing group that provides a safe, validating environment for healing and growth. The group is a confidential place to share experiences, discuss strategies, honor every member's unique story, and provide education and information regarding sex, porn, love addiction and codependency.

If you live with:

- Infidelity and Betrayal
- Broken Trust
- Sexual Lies and Cheating
- Porn and Compulsive Masturbation
- Lies and Broken Promises
- A Partner's Double Life
- Diminishing Intimacy
- Relationship Losses
- Risks to Your Health
- Concern for your family

... you are not alone.
